

RSES HVAC/R 2017 Training Course Sign up

This course utilizes the RSES Technical Institute Training manuals. The three manuals cover Refrigeration/Air Conditioning, electricity, heating and controls. There are three semesters and a test after each semester. RSES membership is required. The each semester is \$500 and is held at our Learning Center. Which is located just North of Mount Carmel East.

Course starts Sept 5th and ends May 29th.

Classes are 3 hours, 6 to 9 P.M. April the classes go to 3.5 hr a night.

Classes are on Monday and Tuesday nights.

The details of what each semester/book covers is available on the rses.org website.

Richard Wirtz, CMS, RCT will be the instructor.

This course is also used to study for the Certificate Member exam.
